Around 5:15pm today the Riverside Sheriff's Office was notified by several trail hikers that they had heard calls for help coming from a steep, brush-filled area near Strawberry Junction. RMRU responded, sending several field teams up the Deer Springs Trail to search for the source of the calls. Following several hours of searching the field teams cleared the areas and the mission concluded at around midnight.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
