We received a call at 1 a.m. that two people were lost above Humber Park and were calling for help. A responding Sheriff's deputy turned on his unit's flashing lights so that the hikers could see them. The subjects managed to hike towards the lights and find the trail. RMRU was called off at 2 a.m.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
