We received a call at 8 p.m. that a 52-year-old woman had not returned from a hike to San Jacinto Peak. While we got ready and started driving to base the woman walked into the Upper Tramway station. RMRU was called off at 8:30 p.m.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
