We received a call at 2:30 p.m. that two hikers could not find the trail back from San Jacinto Peak. While RMRU members prepared to respond, State Park rangers made contact by mobile phone and gave them directions to the trail. The subjects were subsequently able to find the trail and hiked to the Upper Tramway station. RMRU was called off at 3 p.m.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
