On Saturday night at 6 p.m. RMRU got a call for two missing hikers who had not returned from a day hike. At 6:20 p.m. as we were preparing to get into the field the Sheriff notified us that the two had just walked up to their car where he had been talking to the friends who had reported them overdue. No one from RMRU had left home yet.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
