The team was activated at 8:50 p.m. on Thursday, January 12 for a missing hiker at Simpson Park at the south of Hemet. The man's friend had hiked out for help when he became ill. However, the friend could not remember how to get back to where he had left the subject. We searched throughout the night and found the subject about 7:30 a.m. the next morning. The subject was deceased and the mission was turned over to Sheriff's investigators. We remained on scene until 1:30 p.m. to help evacuate the subject.

RMRU team members present: Lee Arnson, Glenn Henderson, Mark Houston, Helene Lohr, Alan Lovegreen, Kelly McDole, Frank Snyder, Ty Whittersheim, Brian Wood, and Gwenda Yates.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
