At 5:45pm the team was requested to help transport a hiker with a broken ankle from the Long Valley Area to the upper Palm Springs Tram. We were cancelled en route to the mission.

RMRU team members present: Lee Arnson, Paul Caraher, Pete Carlson, Kim Jordon, Matt Jordon, Helene Lohr, and Gwenda Yates.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
