

Overdue Hikers

November 12, 2012
South Corona Area
2012-041

Written by Frank Snider

The call came in at 7:30pm to report to South Corona for search. This was a search for two adults and a child overdue on a day hike. Multiple team members responded and Donny took the lead and instructed everyone to pack light so we could move quickly. While packing and preparing to enter the field about 8:30pm, the subjects walked out at the trailhead uninjured and in good spirits. The mission was over without RMRU entering the field.

RMRU team members present: Donny Goetz, Glenn Henderson, Alan Lovergreen, Roger May, Frank Snider, and Gwenda Yates.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
