On Monday morning RMRU was called out to assist DSAR with a search for a missing male who had been gold mining in the Desert Hot Springs area. CHP aviation, RSO aviation as well as numerous deputies had been canvassing the search area days prior to our arrival. During the course of the day, a report came in that the subject was spotted in town at a local eatery. Shortly thereafter we were told that we were no longer needed.

RMRU team members present: Paul Caraher, Glenn Henderson, and Gwenda Yates.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
