RMRU team members arrived at approx. 7am and worked in conjunction with DSAR, the dog team, and Sheriff Explorers to search the hill side in a rural area near Temecula for any evidence that may be related to the ongoing investigation into the death of a local resident. No additional evidence was recovered. The small search area was saturated with personnel quickly and the search was discontinued by noon the same day.

RMRU team members present: Kirk Cloyd, Lew Kingman, Les Walker, and Gwenda Yates.
