RMRU was activated on Saturday to continue an existing search for a missing 19-year-old who was last seen near Pinacate Middle School. Many of the streets and adjacent developments in our search area had already been canvassed by Sheriff's Deputies, the Riverside Sheriff's K9 Unit, and the Menifee citizens patrol the previous day. So our focus was on the forested and rocky undeveloped areas on the periphery of the Middle School. RMRU searchers were broken up into pairs and trios to perform their searches while the Sheriff's Star-9 overhead coordinated and directed our movements. The missing 19-year-old was not located, and at 9pm RMRU was called off the search.

**RMRU team members present:** Paul Caraher, Michal George, Alan Lovegreen, Rob May, Roger May, Frank Snider, and Gwenda Yates.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
