We got the call around 7pm that 3 young men were lost in the hills above Corona. The team members arrived on scene around 8:30pm and after talking to the Deputy at the road head and getting some GPS co-ordinates from the helicopter that had spotted the young men's lights, the 3 team members started hiking. It took till 10:30pm to reach the young men who were off the trail and in heavy brush. After some food and water the team members brought the 3 young men back out to the road head arriving about 12:30.

**RMRU team members present:** Allan Lovegreen, Roger May, and Les Walker.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
