We got the call Thanksgiving evening at 8:40pm that a person with a head injury had gone missing in the hills around the Sage Area, before Cal Fire could treat them. While we were starting to respond to help search for the person, they were found at 9:10pm.

RMRU team members present: Eric Holden, Roger May, Les Walker, and Gwenda Yates.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
