RMRU was called out for a hoist for a lost hiker. Alan was driving to Hemet Aviation when we got word that the local forest service personnel had found the hiker and were walking the person back to the trailhead.

**RMRU Members Involved:** Alan Lovegreen.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
