We received a call from dispatch that 2 hikers had become separated from their group in the high country at the upper Palm Springs Tram. The hikers found their group as we were leaving home. No RMRU members left their homes.

### **RMRU Members Involved:**

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
