

Hoist Rescue Abort

**February 5, 2016
Corona Skyline Trail
2016-002**

Written by Raymond Weden

At approximately 4:30pm we received a call for hiker needing assistance near the county line in the Skyline area of Corona. I proceeded to the Landing Zone (LZ) to meet Star-9 piloted by the Riverside County Sheriff's Department. While in route to the LZ, I received a call letting me know that Orange County Fire was handling this one and RMRU was no longer needed.

RMRU Members Involved: Ray Weden.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
