RMRU was called to help a female lost and stuck in Massacre Canyon and while members were leaving their homes the mission was called off. She had somehow got herself unstuck and walked out.

RMRU Members Involved: Cameron Dickinson and Tony Hughes.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
