

Lost Hikers Marion Mt.

April 8, 2017

Marion Mt. Trail San Jacinto

2017-019

Written by Glenn Henderson

We received a call for 3 lost hikers on the Marion Mountain Trail just as I was getting back in town from our technical rock training at Joshua Tree. I went to the Hemet Station and picked up a vehicle and started driving up the mountain. Mike and Dana were flying with Star 9 and were 10 minutes behind me. I got to Idyllwild when I heard over the radio that a Park Rangers had located the 3 hikers and were hiking them out. We all turned around and headed home.

RMRU Members Involved: Michael George, Glenn Henderson, and Dana Potts.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
