The team received a call to assist DSAR (Desert Search and Rescue) with a lost and now stranded female hiker in the Horse Thief Creek area of the Santa Rosa Mountains. While members were driving to the basecamp road head we got another call that the woman had been reached and was being hiked out and we were no longer needed.

RMRU Members Involved: Michael George, Tyler Shumway, and Gwenda Yates.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
