We got the call for an Overdue Hiker out of the Horse Thief Creek Trailhead. As the text message went out to all members the Sheriff at the Trailhead called back to say the Man had just walked out. So before anyone got a chance to call in a second text went out that the Man had just walked out.

RMRU Members Involved: No one got the chance to call in.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
