We got the call for a lost hiker out of the Dripping Springs area. Aviation had found the missing person and needed RMRU to do a hoist. While team members were responding to the Hemet Airport, the Helicopter found a place they could land and pick up the lost hiker. Team members never got the airport before they were called off.

RMRU Members Involved: Cameron Dickinson and Vinay Rao.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
