## COMING EVENTS:

- June 25 - Special training day
- June 29 - RMRU Board & Regular meeting

**LAST MEETING:** The victim lying on the floor as we came into the meeting room was quite a site for after dinner. The wounds and acting were very good. A lot of thanks for Erik and friend for a fine job. Enclosed are the new polices adopted by the Board at their May 25th meeting.

**LAST TRAINING SESSION:** Bud did a great job in planning this 2½ day session. Everyone became more familiar with the country and particularly the president who needed Bud's cane to walk out on. (The team was called out Sunday afternoon for a technical on Lilly but it was cancelled as we were mobilizing.)

**NEW CALL LIST:** Enclosed are return postcards for updating the information on the call list. The new list will be put out in July. Please send them in now.
