RMRU was called to rescue some young adults who were stuck on some steep slopes. While getting ready to go we got a call back from the Sheriff that the subjects had gotten down by themselves and were OK now. RMRU was called off.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
