Marion Mountain Trail

2010-024

Written by Patrick McCurdy

With the daytime search ([Norma Lopez Search](#)) just wrapping up, RMRU was asked to search an area of the Marion Mountain Trail based on an anonymous tip. The search was called off after several hours when nothing was found.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
