We received a call at 4 p.m. that a person was stuck on the side of North Mountain in the City of San Jacinto. As RMRU members began responding, the subject was talked down to an area where he could hike out. RMRU was called off at 5 p.m. before anyone arrived on scene.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
