RMRU was to meet at the trailhead in Whitewater Canyon at 6:30 a.m. on Sunday morning to help the Sheriff search for a body. Members arrived and were getting their assignments when the Sheriff's canine team, which had started searching earlier that day, found the body. The Sheriff thanked us for showing up and supporting them even though we were not needed this time around.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
