We received a call at 8:45 p.m. Saturday evening to search for an injured hiker. The Riverside County Sheriff later determined that the reported hiker was uninjured and did not need assistance. RMRU was called off at 9:05 p.m.

RMRU team members present: Paul Caraher.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
