Sunday morning at 5 a.m. two RMRU members came out to assist the Banning Police Department with a search for a dead body. They had a cadaver dog and a handler and RMRU just went along in the fields and drainages to help if the body was found in a hard-to-get-to spot. Nothing was found and RMRU was done by 11 a.m.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
