Friday evening a callout was initiated for a lost female hiker and her three dogs. She had been on a day hike in the local mountains near her home. As the first RMRU team was being sent into the field, the subject walked out of the anticipated search area into base camp.

**RMRU team members present:** Carlos Carter, Donny Goetz, Mark Houston, Kelly McDole, Nick Nixon, Dana Potts and Gwenda Yates.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
