The team was called out to search for a missing Father and his two children in the Menifee area. They were reported missing after going for a hike the day before and had not returned by daylight the next day. As we arrived at the garage to pick up the vehicles we were called and told that they had walked out and were in good shape.

RMRU team members present: Paul Caraher, Glenn Henderson, and Gwenda Yates.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
