We were called out on Sunday to help look for an 11 year old boy, Terry Smith, in the Temecula Area. Many other local friends also started helping to look for the boy. RMRU helped coordinate the searchers and RMRU teams searched in the more remote parts of the search area. The search continued for days and different RMRU members were there each day helping out. Finally on Wednesday, day 4 of the search, the boy was found buried in a shallow grave in a field behind his home. RMRU sends its condolences to the Family and Friends of the Family.

RMRU team members present: Steve Bryant, Paul Caraher, Kirk Cloyd, Joe Erickson, Michal George, Donny Goetz, Glenn Henderson, Chad Marler, Rob May, Roger May, Les Walker, Ty Whittersheim, and Gwenda Yates.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
