As I was returning from mission 2014-003 I received a call from Gwenda about a call from star 9. They wanted two RMRU members to assist with a hoist rescue from the Tanaja Falls area. A girl had fallen and suffered a broken ankle. Cal-Fire was on scene and had done the medical for her. Since Kirk and I were closest to the Hemet Ryan airbase, Gwenda had us respond. About five minutes from the Air base Gwenda called and cancelled the call. The fog had rolled in and made flying impossible. Cal-Fire carried the subject out to a waiting ambulance.

**RMRU Members Involved:** Kirk Cloyd and Glenn Henderson.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
