The Sheriff's Department asked for our help in searching for evidence on Thursday morning February 13 at 7am. During the evening of February 12 and the early morning hours of February 13 the personal on scene found the evidence they were looking for and we were cancelled at 4:30am Thursday morning before anyone left home to go to Moreno Valley.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
