We were asked if we could send some members up to the High Sierra to help Inyo with a search for a missing hiker. We didn't have enough members that could go at this time.

RMRU Members Involved: None.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
