Massacre Canyon near Hemet

2015-012

Written by Glenn Henderson

Riverside Sheriff's Aviation called for one person from RMRU to assist in a hoist rescue for a man with chest pains above Massacre Canyon. Glenn Henderson responded. As we lifted off the call was cancelled as Cal Fire got to the subject and walked him out to a dirt road. As that call was cancelled we received another call of three stranded hikers in the hills above Corona. See Mission 2015-13.
