We get a call out for a lost or stranded hiker at the top of black mountain road. Cameron and I geared up to take the truck up the weathered road that may still have snow on it. We both got about 15 miles down the road when we got the call that the subject's friends would be driving him out. Looks like I get a good night sleep tonight!

RMRU Members Involved: Cameron Dickinson and Eric Holden.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
