Driving over to my son's house for Easter dinner I received a call from dispatch that a 72-year-old man had become separated from his hiking group and could not be located. I dropped my wife off at my son's house and returned home to change and load up my pack. As I was driving to the team garage I got another call from the Sergeant that the subject had been located by Star 9 and that we were cancelled. YES!!! I'm sorry that the Star 9 crew had to work on Easter but I'm also grateful for their work.
