We got the call for a downed aircraft with people alive. Riverside had no helicopters available so members started driving to the Mecca Hills. While members were driving a San Bernardino Helicopter flew over and was able to pick up the people.

**RMRU Members Involved:** Cameron Dickinson, Eric Holden, and Matt Jordon.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
