While team members were driving to the Meeting place, some volunteers on horseback found the missing man and brought him back to his home. Everyone from RMRU returned home safely.

**RMRU Members Involved:** Cameron Dickinson, Corey Ellison, Glenn Henderson, and Alex Rilloraz.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
