The team was activated to search for an overdue hiker and 10 minutes after the call went out the person walked out and the Deputy at the Trailhead call us off.

**RMRU Members Involved:** No one left home before cancelled.

RMRU is a volunteer search and rescue team that covers Riverside County and assists other teams with search and rescue efforts in other counties. Each member purchases their own equipment and takes time off work, without compensation, to participate in search and rescue missions. Team equipment is purchased from contributions from the community. We are a non-profit organization and are funded by [donations](#) from people like you.
