**BOARD MEETING:** 1900 on 19 October at the home of Jake Johnson. The agenda will be quite full and will be interesting to members who have not attended a board meeting. Reminder to board members - if you have items for the agenda, see that they are in the hands of the President by the 17th.

**REGULAR MEETING:** 1930 on 26 October at Highland Outfitters. The business part of the meeting will be very short. All members are welcome at any time. Training Chairman Jim asks that you bring your knowledge of the training manual to the meeting. Also, lot of dimes and your 12 foot length of 3/8" rope.

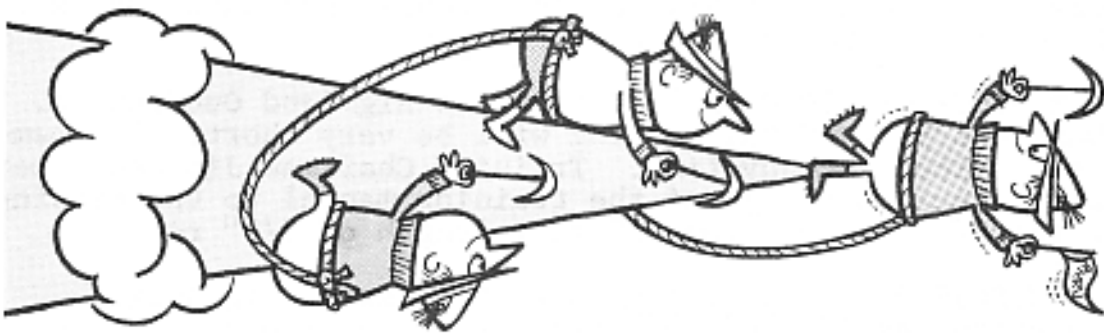

**TRAINING SESSION:** 0600 sharp on 29 October at Big Rock. Come prepared as if you were going on a winter mission into the high back country. This is going to be an all day session that will include tracking, technical rescue, short discussion and demonstration on equipment and more technical rescue.

**NOVEMBER TRAINING SESSION:** Many of the members are planning on taking their families to Joshua Tree and staying the weekend. A few are planning on being there Friday evening. Bring the family and the wives can gossip, the kids can scamper over the rocks and we can wear out the seats of our pants on the rough granite. At least try and spend Saturday and Sunday in the clear high desert air.

**PROSPECTIVE MEMBERS:** It was good to see a bunch of new faces at the September meeting. Lets all try and make them feel at home. If we can boost the membership by 6 to 8 good men we will have a team that can really do the job.

**PUBLIC RELATIONS:** Watch the TV news on the evening of October 20th. RMRU might be on.

**APPLICATION:** Members and prospective members, please fill out the enclosed application and bring it to the meeting.
