

RMRU NEWSLETTER

COMING EVENTS:

10L #1 ISSUE 1, JUNE '61

- June 21 - Board meeting
- June 24 - Technical session (a.m.) - Family picnic (p.m.)
- June 28 - Regular meeting & training

DOWNTOWN MALL: If you missed the display and demonstrations by RMRU at the Riverside Downtown Mall, you must have been on vacation or you were just sandbagging. We set up the display sections and the Bloodhound pen on Wednesday May 24th and they were in place until late Saturday May 27th. There were 2 or 3 men on duty at the display most of the time and many more on Friday and Saturday. Al Andrews has the display setting up procedure so well in hand I think he should be permanent chairman. Larry Percy deserves a big hand for checking everything each morning and buttoning up at night. The members who manned the display and participated in the demonstration did a great job. The comments have been very good and the merchants association plans on presenting us with a sizeable donation. The Law building where we gave the display is now the only building in town with lug sole footprints going up the side of it. The repel off the top wasn't bad after you got over the three foot overhang at the start, missed the rows of large windows, air conditioners and the sign on the six foot ledge near the bottom. We still hear people talking about the big black Bloodhound that was lowered over the side to the crowds below. RMRU can well be proud of a job very well done.

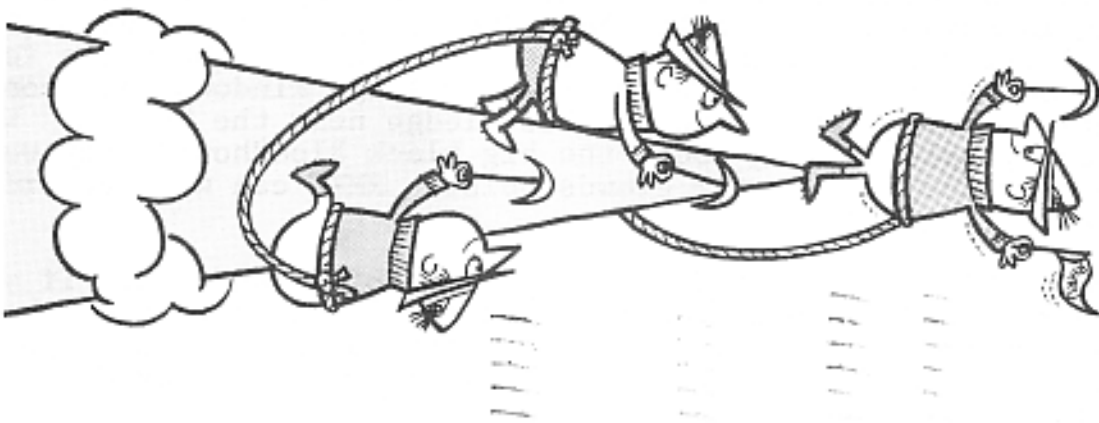

BOARD MEETING: 1900 on 21 June at the home of Al Andrews. If you have never attended a board meeting you should, just to keep the directors on their toes. If you cannot attend and have an item that should be put on the Board's agenda, let one of your directors know about it with a phone call.

TECHNICAL SESSION: 0700 on 24 June at Big Rock. Bring all your technical gear for a hard but brief workout. We will stop at 1200 sharp so everyone can get ready for the picnic.

FAMILY PICNIC: 1330 on 24 June at the Naval Ordnance Test Lab in Norco. Get the whole family together and enjoy the afternoon the RMRU way. We will have either a touch football game or a softball game for those interested. Jim Fairchild will have some interesting games for the whole family. If you missed the picnic last year or you are new to RMRU then you don't know what you will be missing unless you attend this year. Just ask one of the oldtimers. Everyone should bring their own food and drink for dinner. There will be tables available and barbeques for those people who want to barbeque meat for dinner.

REGULAR MEETING: 1930 on 28 June at Highland Outfitters. Wear your old clothes and be prepared for a practice session.

CALL SHEET: Enclosed are information cards to update the new call list. Please fill out and return them at once, even if there are no changes for you. In this way we can be sure of everything being correct. The new call list will be distributed at the 28 June regular meeting.
